4. As far as my recollection goes I think the tents shown in my list of 25-8-1909 were selected from those pitched for the Military Secretary's inspection. New outer flies were ordered for some and others were repaired locally.

5. I am afraid I cannot help the Military Secretary in accounting for the missing tents.

6. The only man who should be able to do this is the Clerk in charge of Government House. His Register should show to whom the tents were issued or if rejected as unserviceable and sold the entry should appear in this Register.

7. As regards the tent said to have been sent to me I should like to see my requisition for it as the last tent, a double pole, sent to my address for the XXth Deccan Horse Regimental Sports was returned by that Regiment and sent back to Mysore before the Marriage.

SIR,

I have the honor to enclose a list showing the number of tents as they existed at the time of the Royal visit and the number accounted for by Mr.Donne before the last Viceregal visit.

The list includes the purchases for those Entertainments.

But on going over the tents for this Wedding I find that 7 double pole, 12 single pole, 43 Swiss Cottage, 5 Hill tents and 26 Rowtees are unaccounted for.

I know that some were lent at one time to the Survey or Geological Department and one is shown as sent to Mr.Donne in the Railway book.

As a report to Government on the matter is required I would request that Mr.Donne who was then my Assistant in charge may be asked to kindly explain at an early date what has happened to the tents.

No 10/Sec: 3

DATED 27th Septr 1910

SUBJECT.

Deficiency of tents in Government -- House.

Reference my Memo No. 512, dated 27th August 1910.

1. I enclose Mr. Donne's reply --- dated 25th July 1910 which seems to have been kept for over a month in -- the General Secretary's office.

2. You will see that Mr. Donne --- makes no attempt to explain matters -- This is very unsatisfactory. He ---- also refers to the clerks Registers. It was because there was no proper -- Register that we had all the tents -- pitched to count them (because when they are stored one really cannot --- count tents and see that they are --- complete)

3. In May 1904 when the clerk ----

Kothandapani Moodaliar was about to be removed from Government House ---- Mr. Donne delegated the repair of the tents to Jamadar Ghous Khan to - whom he advanced money direct. The Clerk in charge of Government House was therefore not responsible so --- much as Mr. Donne himself who I think is treating the matter rather lightly. The loss of tents shown in --- margin represents a great deal of ---- Government money.

4. The Government House Jamadar is illiterate and I find kept no accounts

5 Mr. Donne having risen in the Account Department I expected him to keep all accounts and trusted him to do so --- until I returned from England, when the Hesserghatta irregularities put me on the qui vive and I began to go into the accounts myself.

6. In the matter of accounts --- - during our last entertainment I have been very greatly helped by the ----- advice of Mr. Chakravarti with the pleasing result that they are now all up to date. Some Shops are not yet paid but the bills have been sent in are awaiting sanction of -- Government and are ready. But as regards prior entertainments which I had charge of with Mr. Donne as ----- Assistant I regret to say bills are still outstanding and under dispute

7

Mr. Donne is an excellent hand at managing an Entertainment. But there is no doubt that the accounts while left to him were kept very unsystematically.

8. It is I think therefore very necessary that a thorough explanation should be called for in the matter of these tents. I am of course personally to blame for placing too much -- confidence in my subordinate. But this fact should not stand in the way of a thorough enquiry into the whereabouts of the Government tents. These are not articles which can be hidden away.

9. I have asked several officials to supply me with the information -- asked for in the enclosed form. But have received few replies. It is quite probable that many have taken tents from Kharapure for office use and remain silent or are in ignorance of the fact.

10. As regards the tent sent to ---- Mr. Donne's address You will see that this is traced as a Hill Tent, and has nothing to do with the Deccan Horse. Perhaps Mr. Donne will be able to --- let us know the person to whom it --- was sent.

11. As I said before the matter is not one to be lightly passed over -- and I think Mr. Donne might be put on

special duty to find the missing ---
tents.

12. Mr. Donne drew a personal -----
allowance for Government House. He
should therefore certainly be held
responsible for the missing articles
I have no wish to be hard upon him -
but it is not a matter to be treated
casually. It is in the interests of
Government to hold gazetted assis-
tants responsible for irregularities

13. I am no accountant. My services
were requisitioned for military ----
duties; Mr. Donne was originally
head of the office and raised to ---
Personal Assistant to look after ---
such matters as Accounts & Stock,

Lt. Col.,
Military Secretary.

Note dated 25th July 1910 from Mr. H. Donne, Assistant Secretary to Government.

-------:::-------

"As far as my recollection goes I think the tents ---- shown in my list of 25-8-09 were selected from those pitched for the Military Secretary's inspection. New outer flies were ordered for some and others were repaired locally.

I am afraid I cannot help the Military Secretary in accounting for the missing tents.

The only man who should be able to do this is the ---- Clerk in charge of Government House. His Register should show to whom the tents were issued or if rejected as unserviceable and sold, the entry should appear in his ------ Register.

As regards the tent said to have been sent to me , I should like to see my requisition for it, as the last tent, a double pole, sent to my address for the XXth Deccan Horse Regimental sports was returned by that Regiment and sent -- back to Mysore before the marriage."

To,

D. Devaraj Urs Esquire,
Inspector-General of Police in Mysore.

Sir,

With reference to the orders passed on Government order No.Camp G.113-4/G.M.38-10 dated the 22nd October last directing me to take up the investigation in re the missing of Tents from the Government House Mysore, I have the honor to state that I saw Colonel Jones at Bangalore on the 9th instant and asked him for the Inventory or stock Register showing the receipts and Issue of Tents maintained at the Government House, but Col.Jones referred me to Mr. Tate for particulars required. On seeing the latter, he said that no Register or other account showing the supplies received and issued is forthcoming in his office and that the office copies of correspondence between his office and the Government on the subject were also incomplete and illegible. In the absence of any basis it is not possible to investigate the matter. I would therefore request you to kindly address the Government to send to me for reference and return the entire correspondence on the subject and also to order all the Registers and accounts kept in the Government House relating to the subject to be placed at my disposal till the investigation is over.

I have the honor to be,
